crystal

Hi I am going
to crystal Iceland!
When I got there
there was a messege
from Chloe! She needed
help! So I went to
find the crystals.

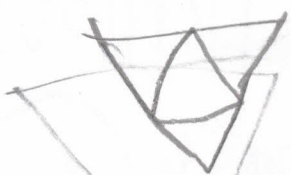

Soon me and
chloe were

at a crystal.
it showed this
symbol:

Looked all over
the wall then

I found this symbol:

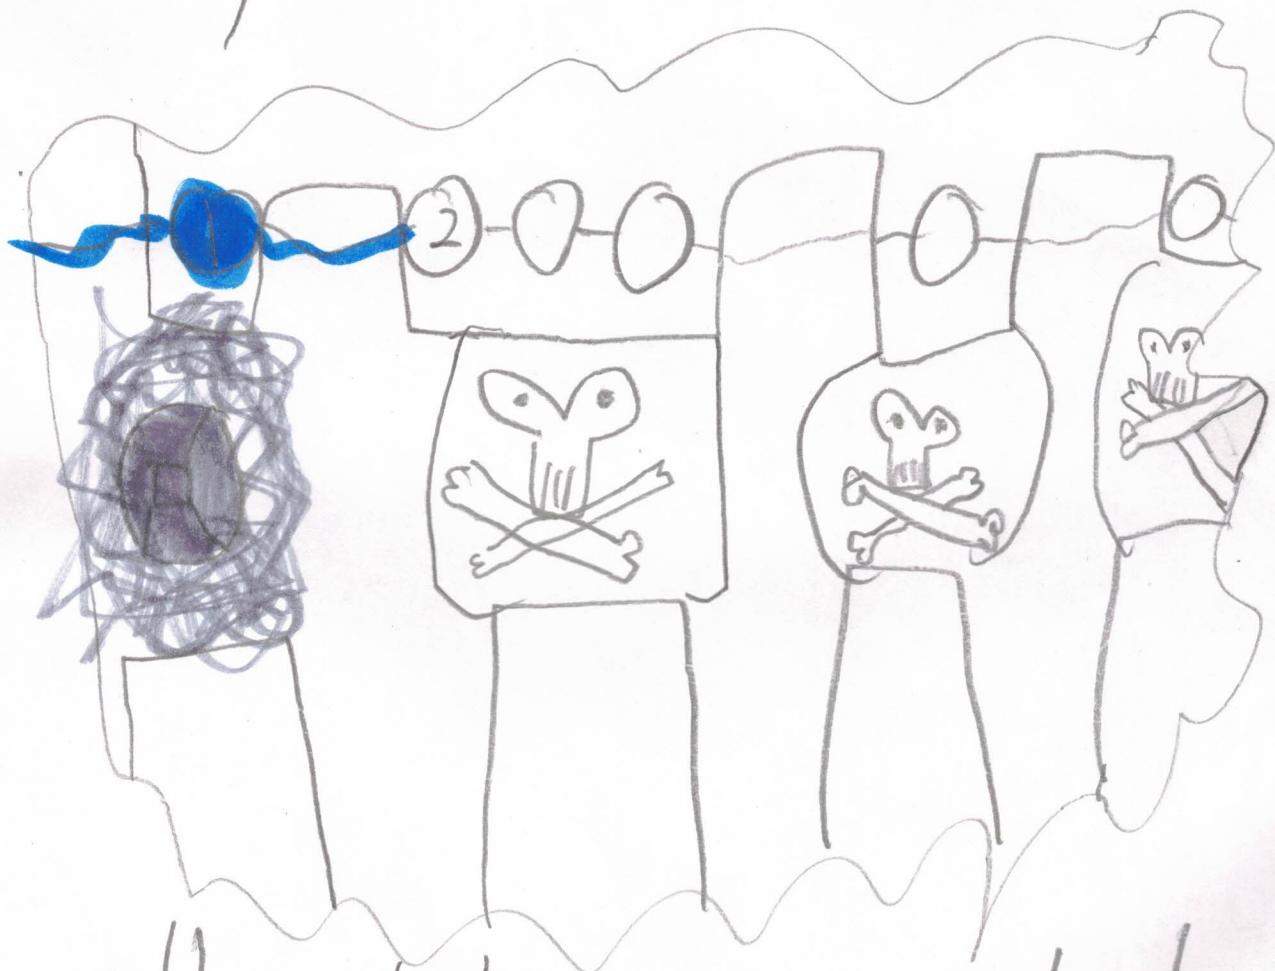

I pressed it and
me and chloe went into
another room

Chloe touched the
crystal into the room

and we got
suced into another
room! with a crystal!

we piced it up and
we went to
the crystal
city!

all the crystals
were missing so we
put the crystal back
