

the water spiders

the
water
weakness

we went to the
water spiders cave and
saw a scout spider
we had a conversation
with it. the conversation
went like this:

Scout spider "who are you?"

Me "I am Armaan and I want
to speak to king spider"

Scout spider "People named Armaan
are allowed. I will get the king"
3 hours later... the king came.

king spider "what do you want?"

Me "A I would like to ask you
a favour"

king spider "ok."

Me "we need your Help to defeat
saroni"

all spiders in room "Grasp"

Me "we need to put out the fires,
can you Help?"

King spider "Ok"

King spider "but we will

need one thing."

Me "Whats that?"

King spider "you see saroni won't

like us putting out the fires.
He WILL attack. He Is an
electric type. We are -

all spiders except King spider "weak to
electric. we are water"

Me "Is there any thing we
can do to help?"

King spider "yes!"

Me "whats that?"

King spiders "leaf backis!"

Me "what about them?"

King spider "saroni is weak

agenst leaf & types leaf backis

are the most abundant leaf type

King spider "you will need to

find them."

Me "How?"

King backis "well ~~vin wei~~ vipers gaurd

them and they have bin viper

sightings in erry forest except

the kank ku forest!"

Me "so I th-"
random spider "it's a trap that in
the kang ku forest!"

Me "All right all be going to find them
for you."

king spider "wait!"

king spider "they work for
savoni but they love fights
exou can tempt them."
Me "ok by." we left,
