Backi's army

One day I  
found a backis,

Later  
I found  
out it  
was a  
fire tipe.

One  
now a lot of  
chace me all the  
problem  
thow  
backis

time (water backis)

But I have been  
in a lot of chaces  
so its ok.

But at this moment  
I'm collecting a team of  
fire backis and having  
a lot of chases to.

Now I  
have to go and  
battle in the sea.

One problem though  
only fire backs can  
fly... ohse only water  
backs can swim! I said.  
I thought and thought  
them... let's find the  
swimming stone! I exclaimed
