But now chloe  
got a pet goo

us everything we  
needed to know  
to save the world!

Here's what it said:

All the goo

backis are bring  
to save savoni.

SAVONI!?

yeah. I'm the only  
one who tried to  
stop them. Could  
you help me?

we said: yes!

In the afternoon:  
We named the goo  
back's Finder and  
Finder had led  
us to the goo
