Shadowland

The Dark Legendary

one day 156,000,000,  
000 years ago before  
back is weke known.

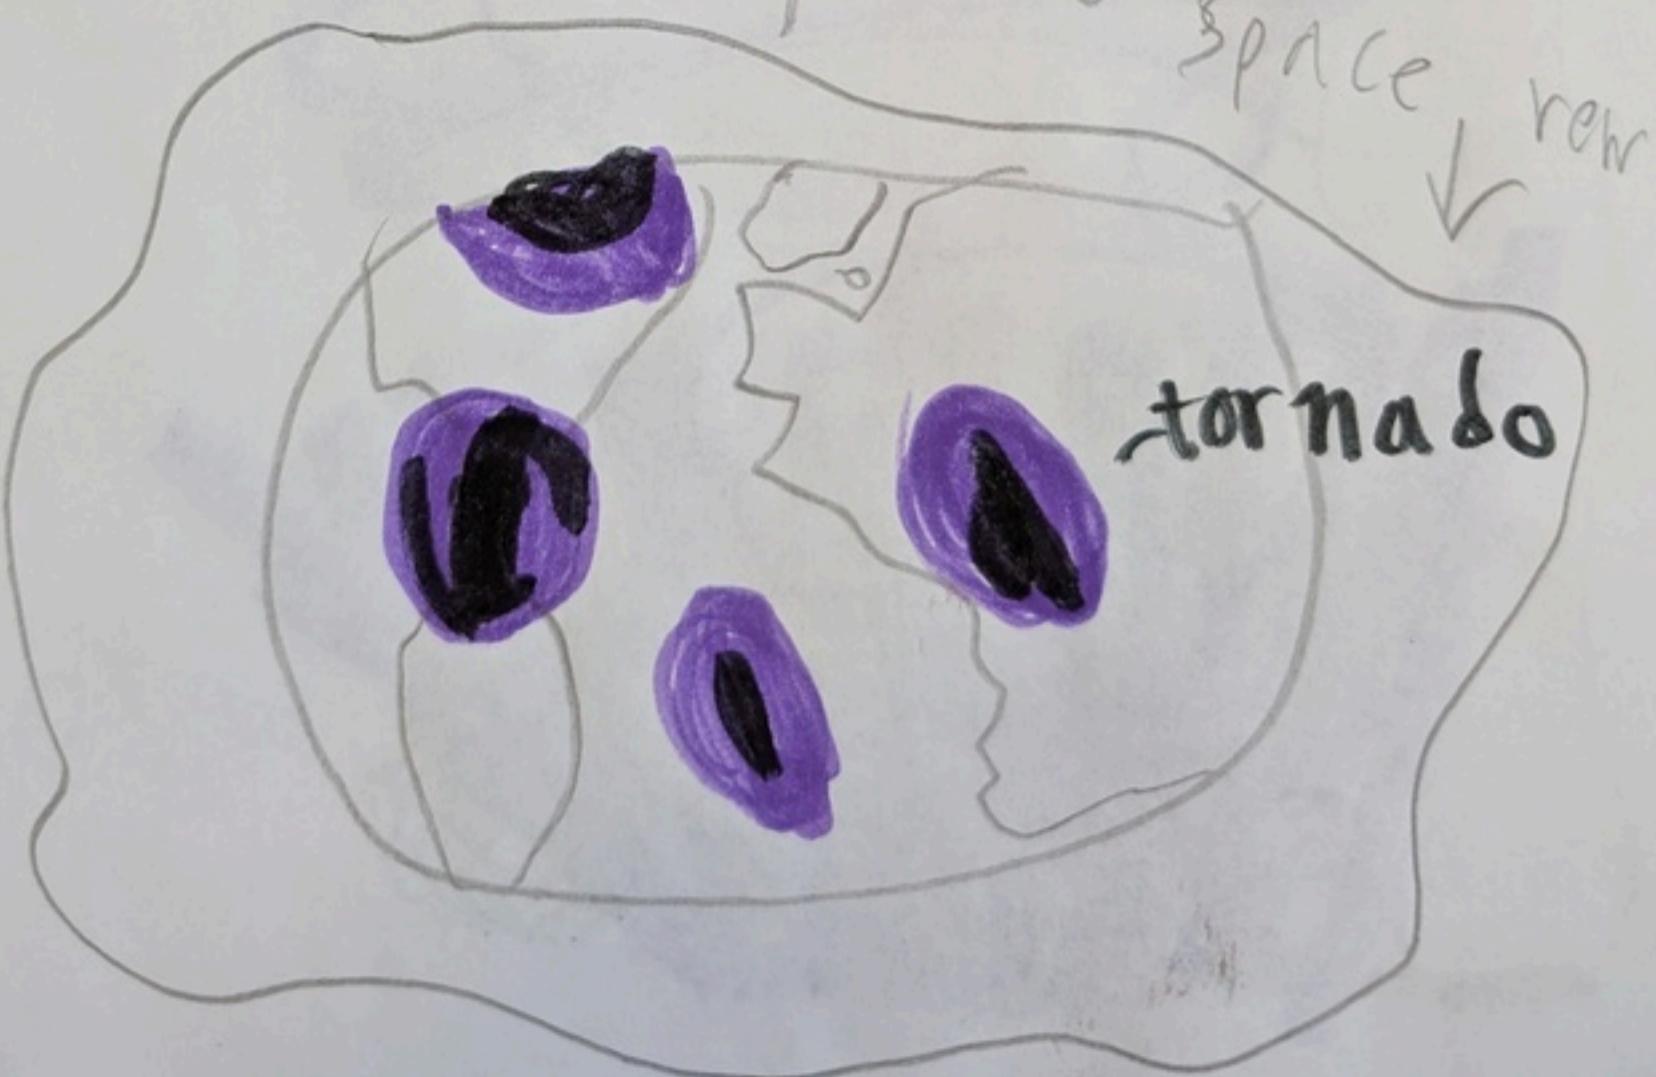

there was a giant  
earth ckwracke. (Later to  
be known as the more  
rumble) and an giant  
egg came out of  
the ground and

it was purple. 30  
years later... it  
hatched out  
came a giant  
purple backs  
He claimed to  
be known as  
Shadowhi  
Sooh He became

jealous of the humans  
because he had to  
hide all day and  
all night so he  
decided to use  
his powers to  
wipe humanity  
from existence!

He created giant  
tornadoes that ripped  
the land they  
were so big you  
could see them  
from space

In about 3 Days  
the land was  
completely different

before } after

soon the backis  
took extreme  
meashurs and fought.  
~~theire~~ there was  
a giant battle  
even shadow hi  
Had to fight  
harder! bat the  
the tides thined  
shadowi blew

the whole army  
to smithereens!

soon darkness  
spread quickly the  
world was now  
uninhabitable but

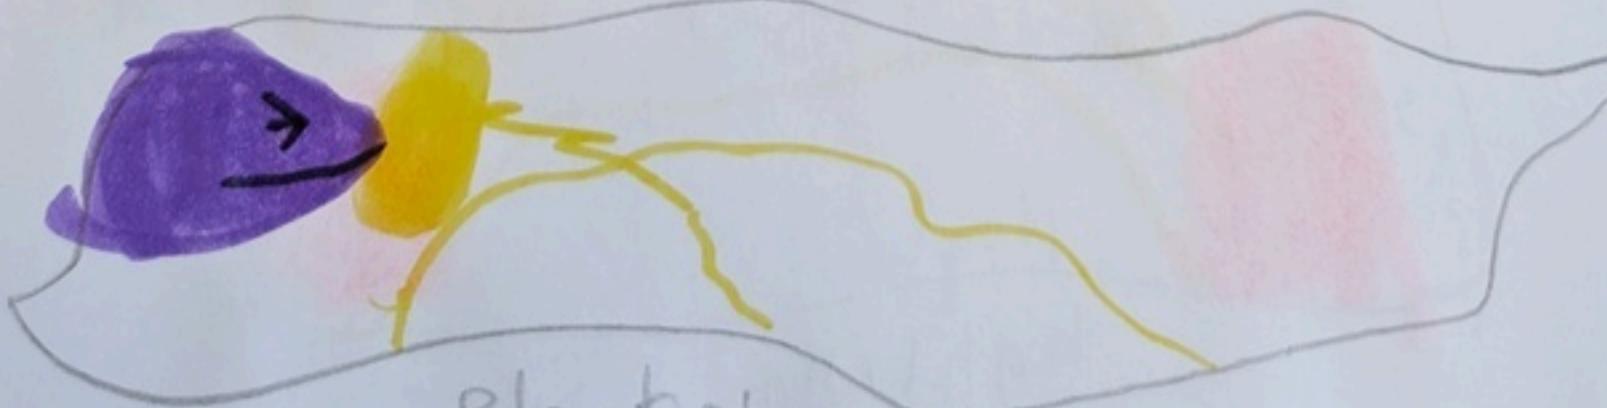

One spot where  
shadow his egg once  
was was safe  
a liquid ozed from

the eggshell phoridng  
food\water and a  
shelter, so every living  
creachur (except shadow)  
took shelter there  
as darkness spread soon 400,000  
years later Sarohi  
hatched bare Rghoghe  
to battle Shadorni

He sheltered the town  
from the tornadoes  
sheltering town

and electrified shadow if he got to close

electrizing shadow

soon saroni was  
making fires for  
light. because shadow's  
weakness was light

lighting fires

Soon Savoni was doing  
everything He could do  
to stop shadowhi  
at the age of 12  
He found out how  
to stop shadowhi  
He could trap  
Him! but to trap Him  
He needed the shadow  
runes, the Dark rune,  
and the spih rune.

at the age  
of 16 he found  
out where the shadow  
runes was, at the  
age of 20 he got  
the shadow rune  
at the age of 25  
He randomly stumbled  
on the Dark rune  
and a Map leading  
to the Spik rune

the age of 42  
He found the Spin  
rune and stoped shadow;

stopping shadow;
