up

eryone thought that
saroni would Die
but both him and
the bush:bakis fw
backwards with gas
pouring out of
their bodys

(see legendary
adventures of saroni
for more info)

they shrank down to the size of normal backis and... wait what are they doing?

savon "Do you want to play"
bush "OK"
backis

savon "a battle?"

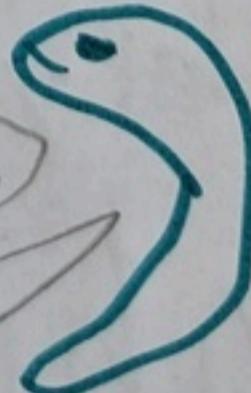

bush "OK"

savon "allright lets go!"
bush "yeah!"

Do you want to play?

allright lets go!

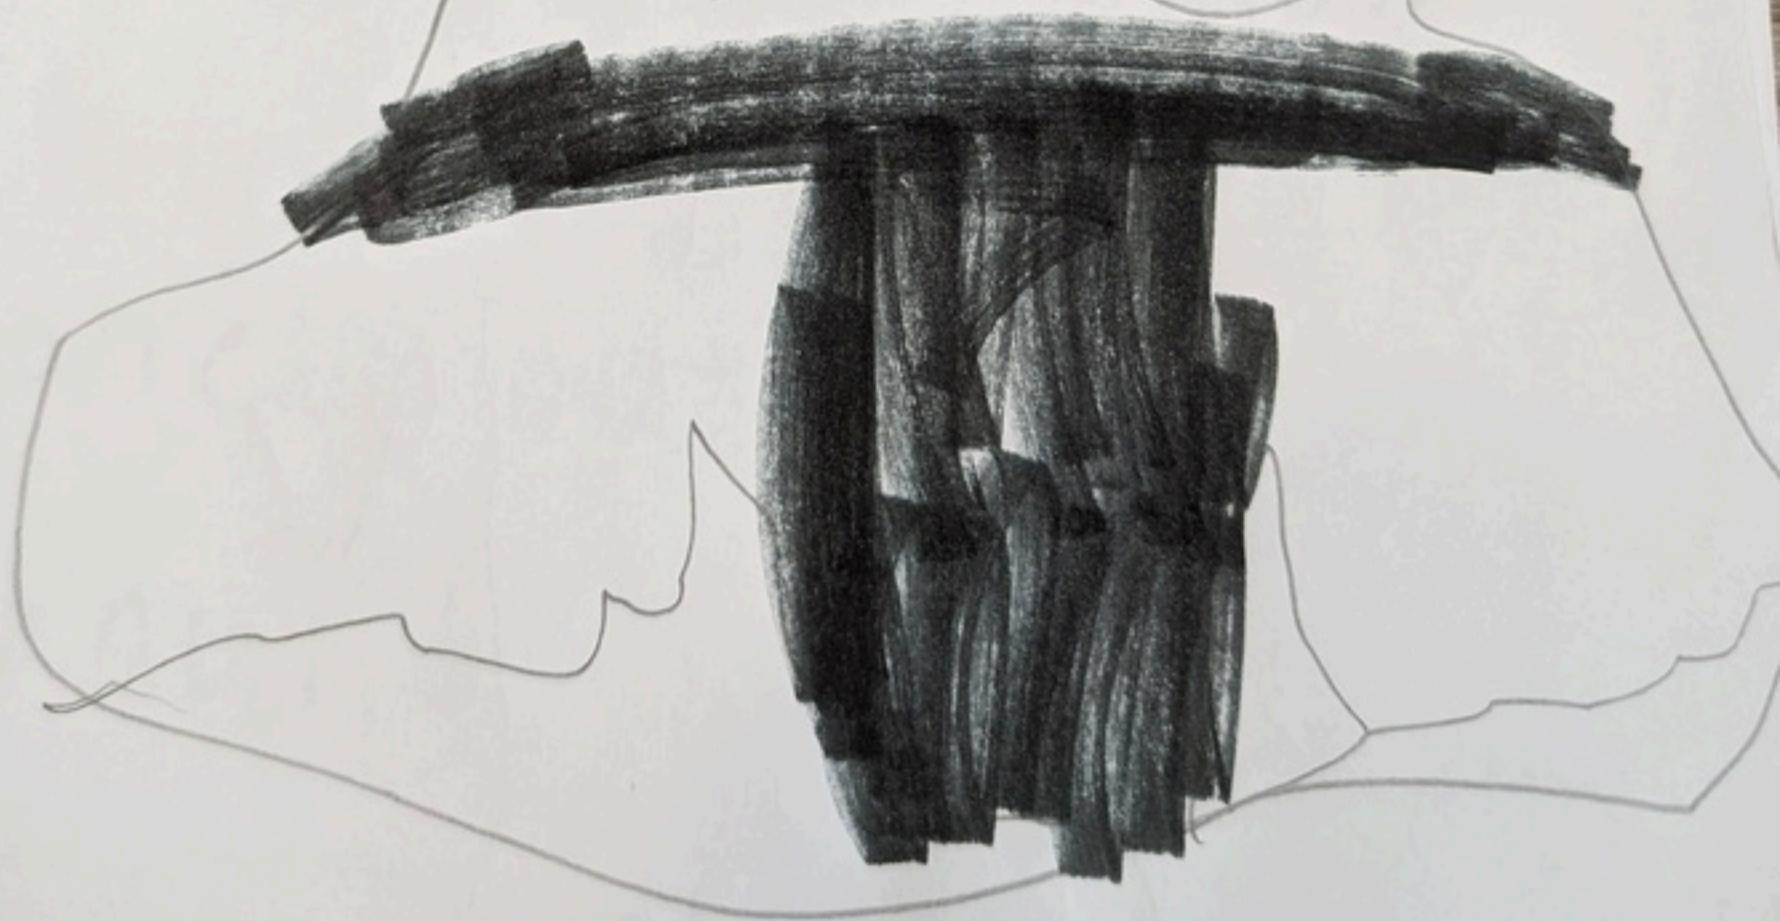

Yeah!

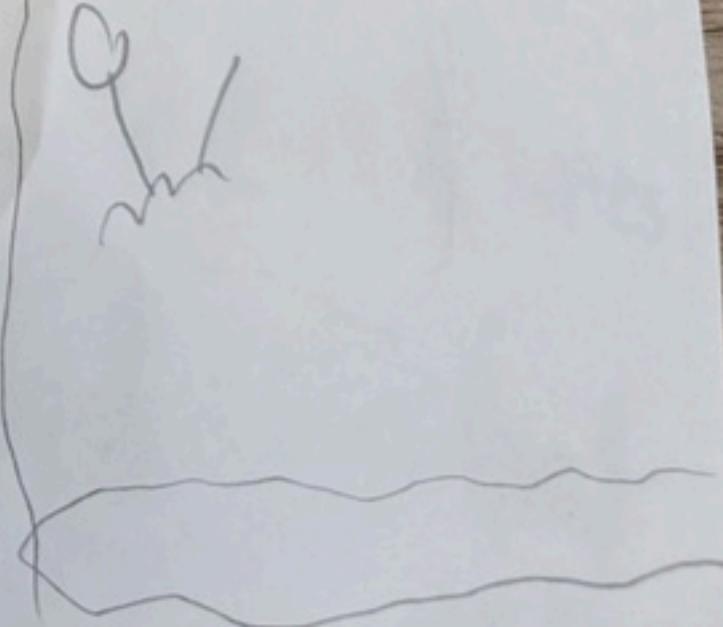

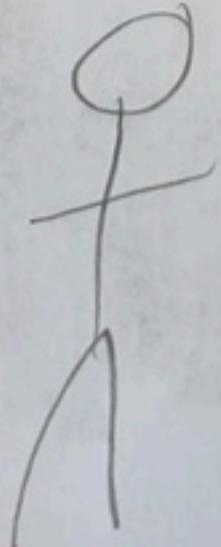

a soon as they
left shadows
mgl fed the

Legendary adventures
savohi and shad
owhi

Suddenly the ground shooke
the earth trembled
and ~~boom~~ the
crust split in
to a giant black
cloud was coming
out!

but noone was
focused at
that because at
that very moment
a giant shadow
was spreading
across the
ground.

Suddenly shadow ni
cam' out of
the clouds. He
prepaiked to attack
but before He could
start...sadehly
clouds of dust
poared out of the
ground while inside
them wehe megahig

the ultra backis, the
alfa backis, the flare
backis, shirethij the nuclear
backis and the Hyper explosion
forcefeild backis.

this could only
mean one thing;

the dip
off the
