

LEGENDARY ADVENTURE

electric
legendary

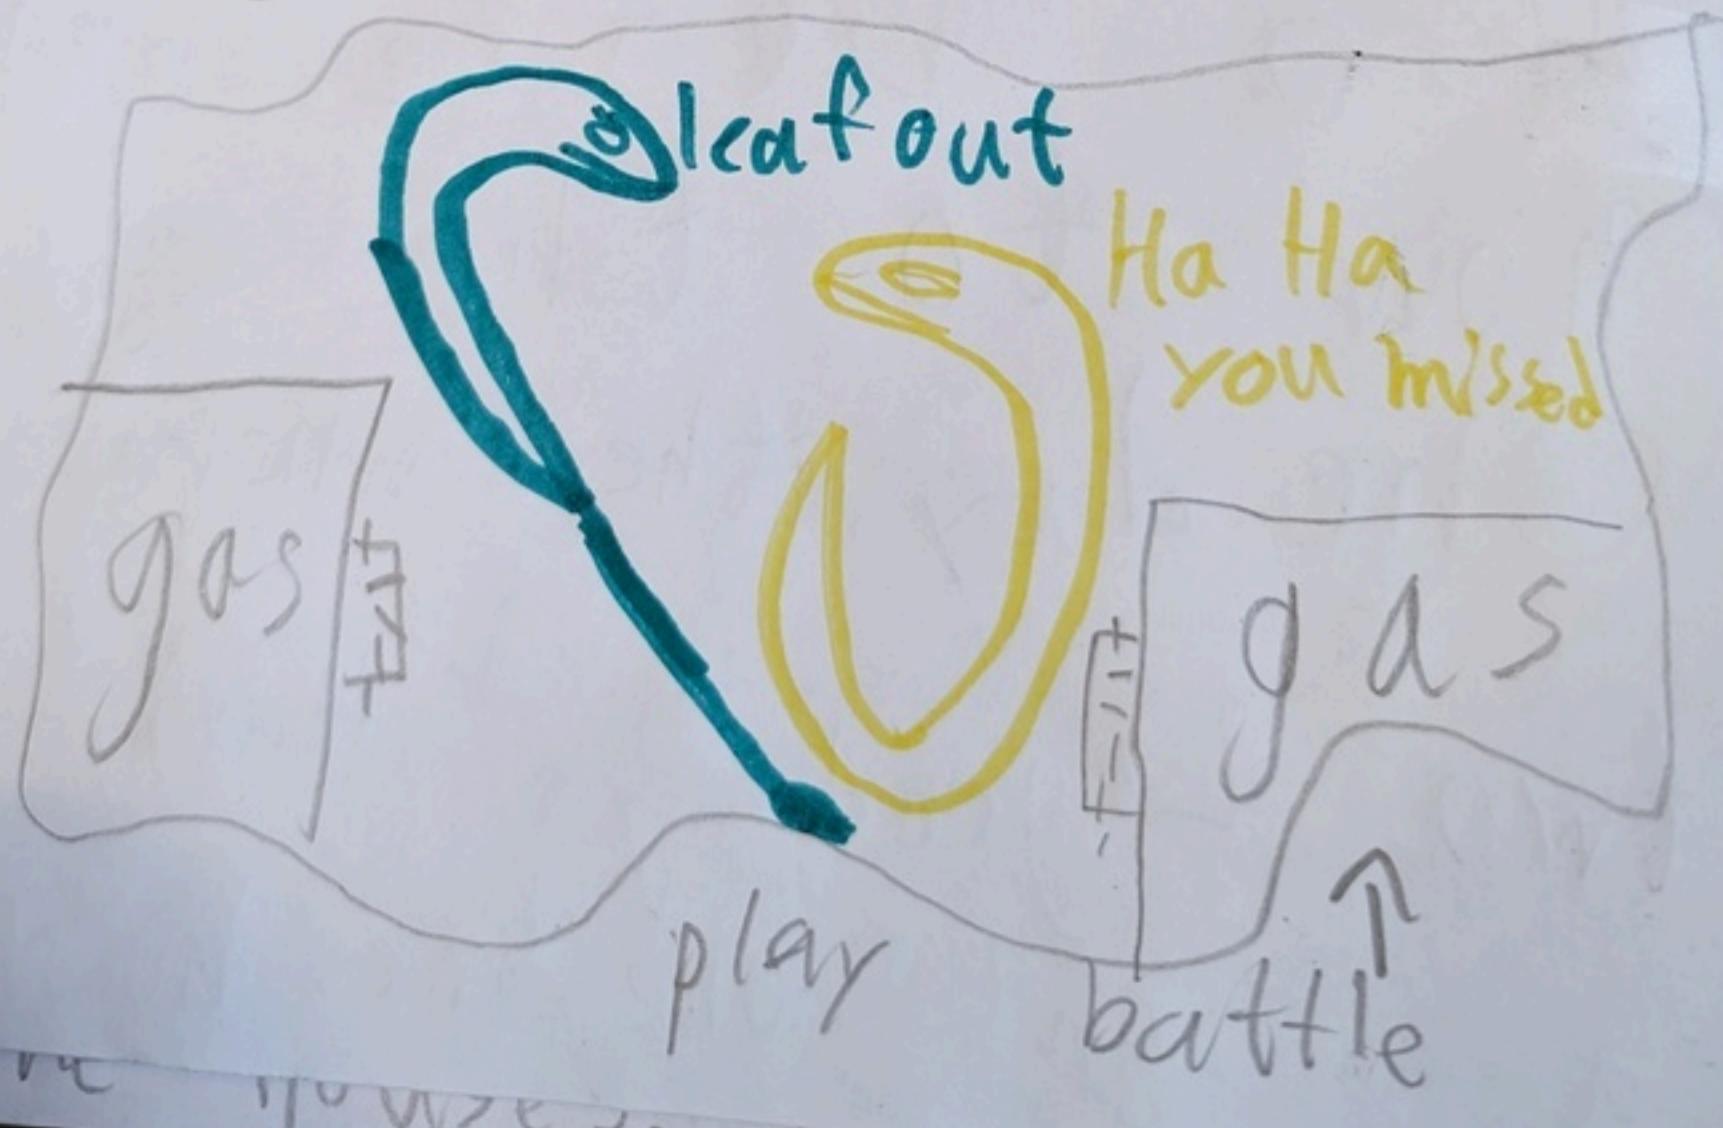

this is a story of savoni. A loooooooong time ago before H.P.S.G.T.s (Hyper power street gas tanks,) in fact H.P.S.G.T.s were banned internationally because of this incident. Now H.P.S.G.T.s where placed like this

Between the Houses, H.P.S.G.T.

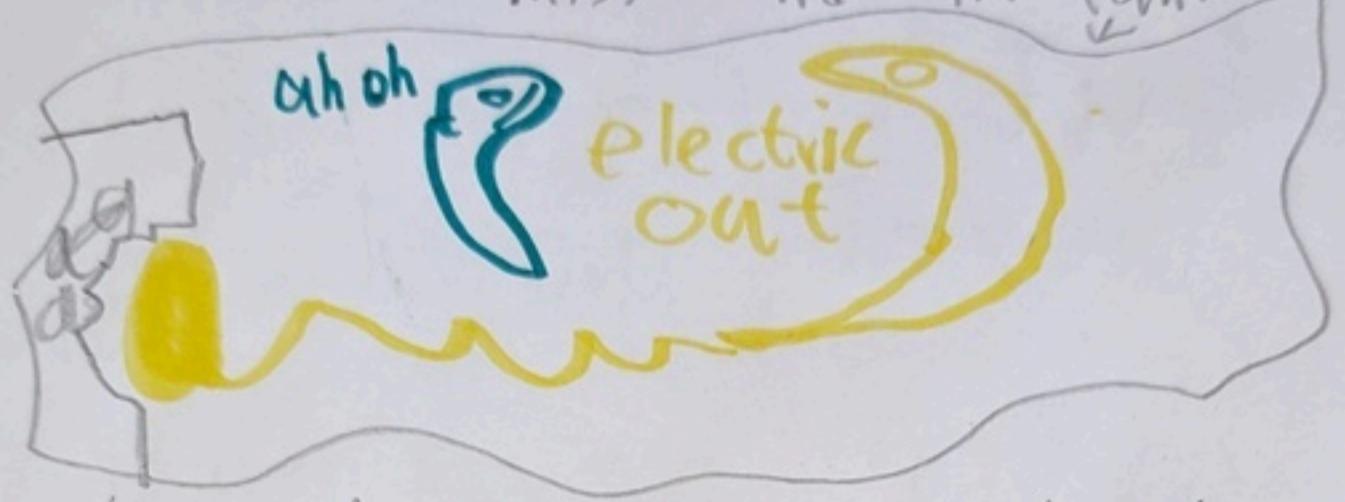

They were called. A hyper power because if you got sprayed by then you would get extraordinary power but you would also become evil! Now to the story: One day they where two Legendarys having a fight one the bush

back is who could get
sprayed by the gas
but He would not
become evil . and the
savoir they were having
a fight for fun

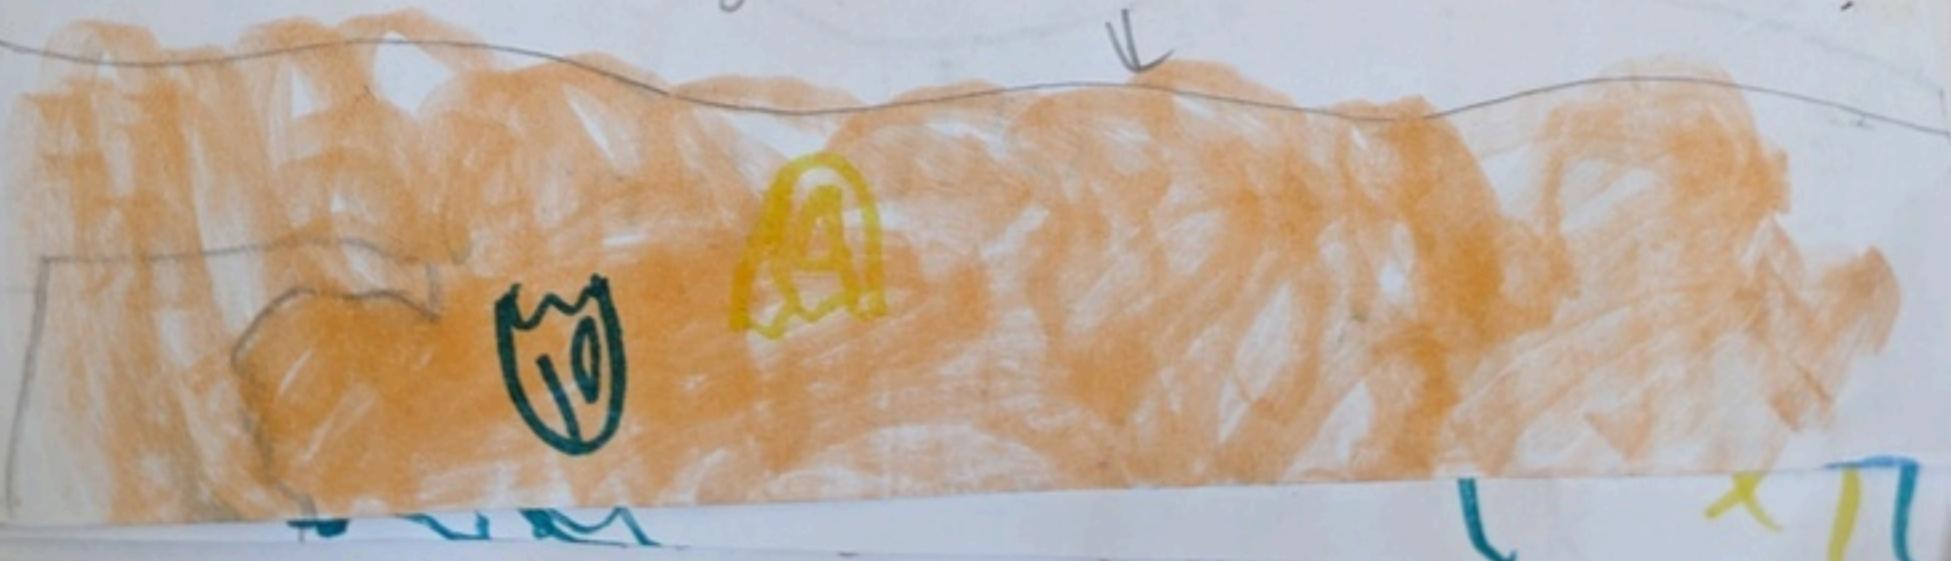

sarohi use electric out
and missed, but
miss and hit tank

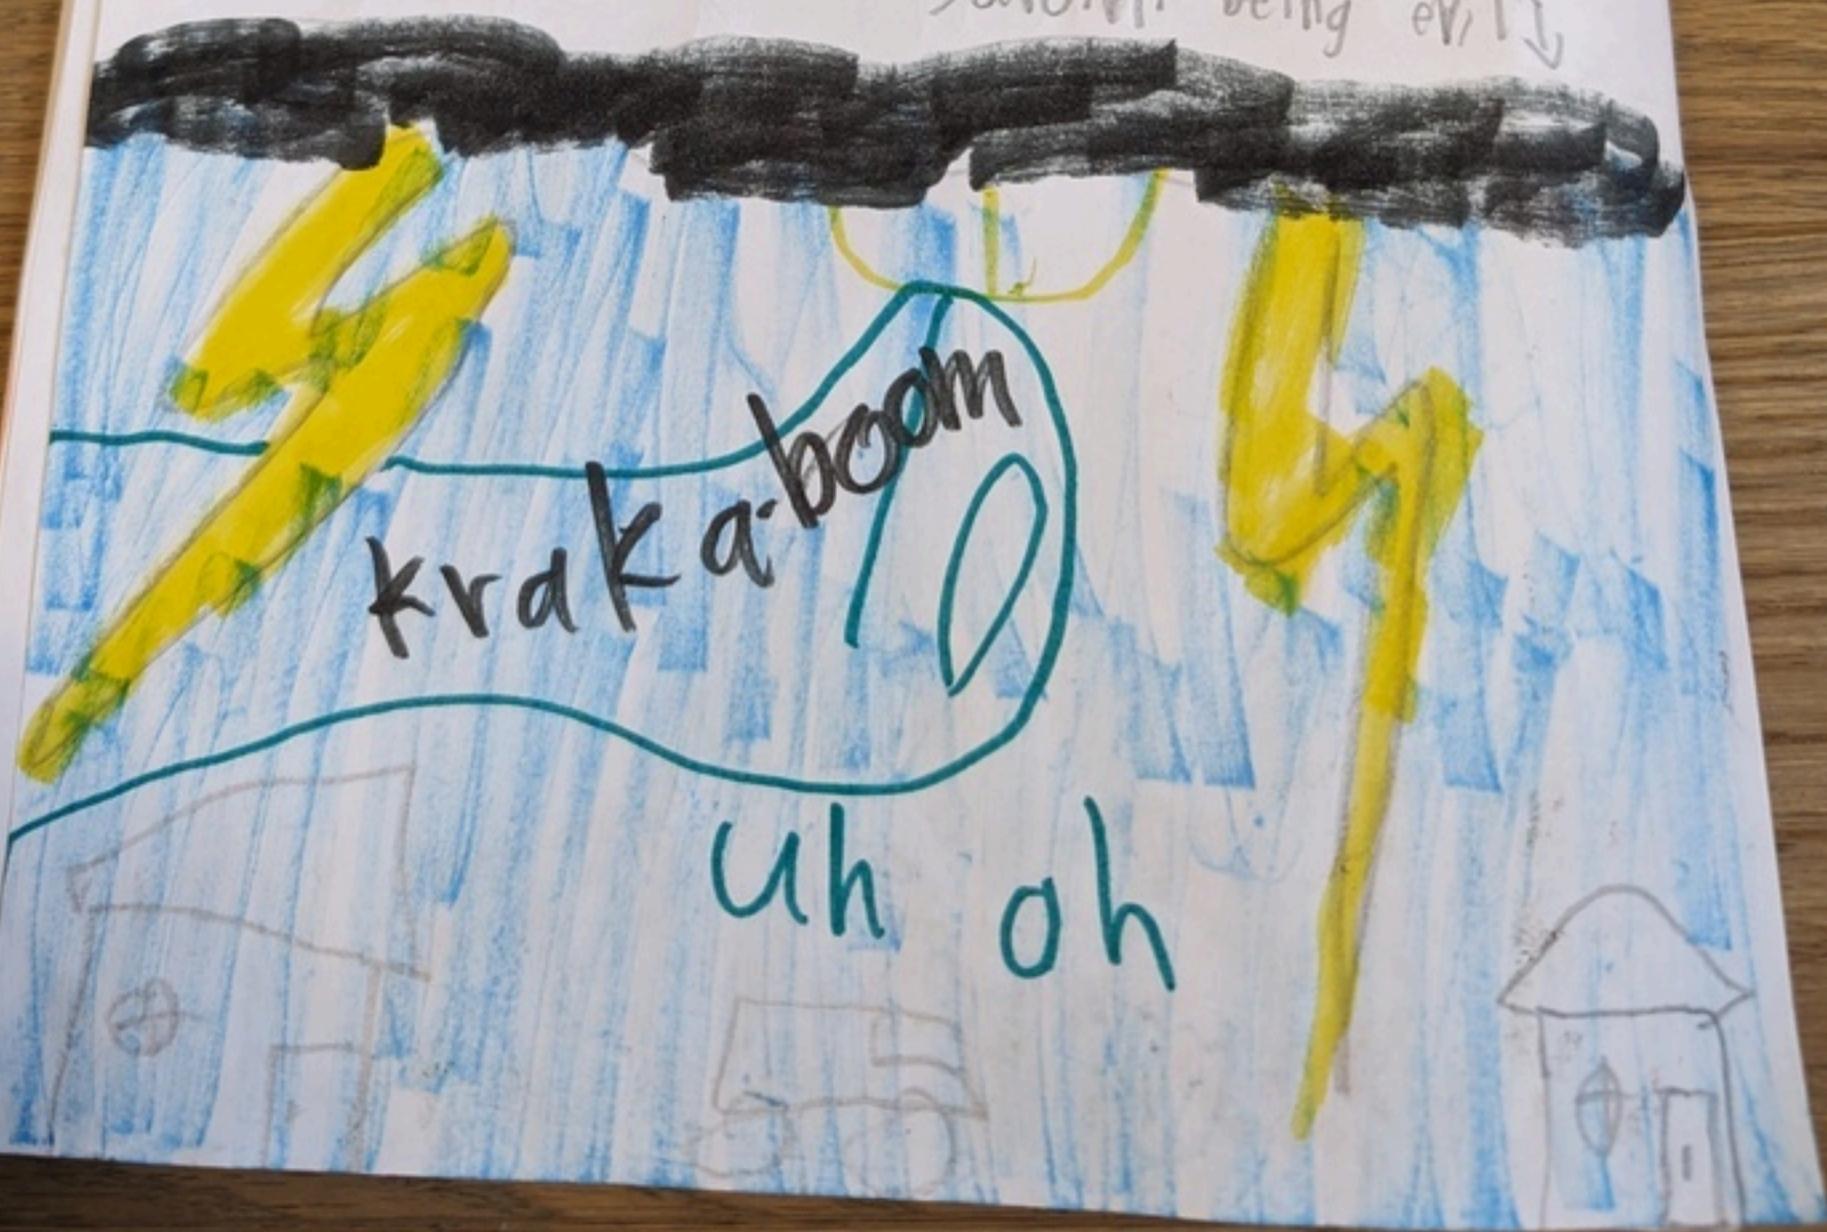

it blew a hole
in a tank

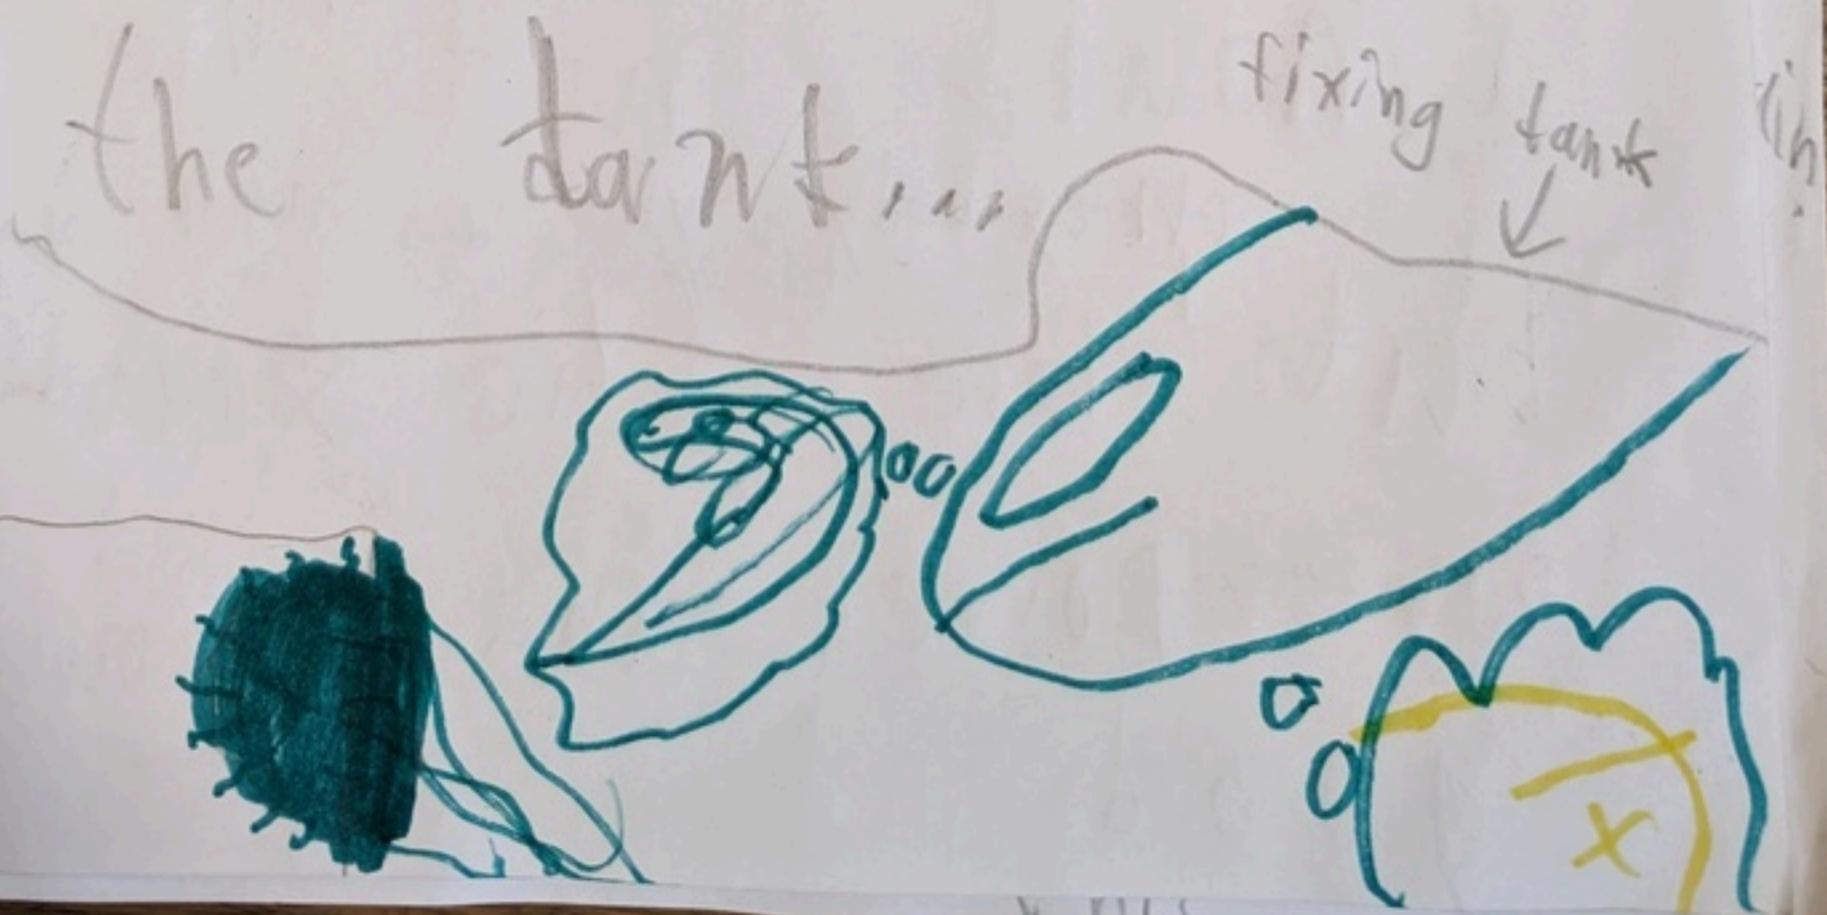

gas spewed out in
and swallowed the boy!
gas spreads

they both got
extraordinary powers
but ~~bush~~^{bush} backid
stayed good and
Savohi became evil
Savomi being evil

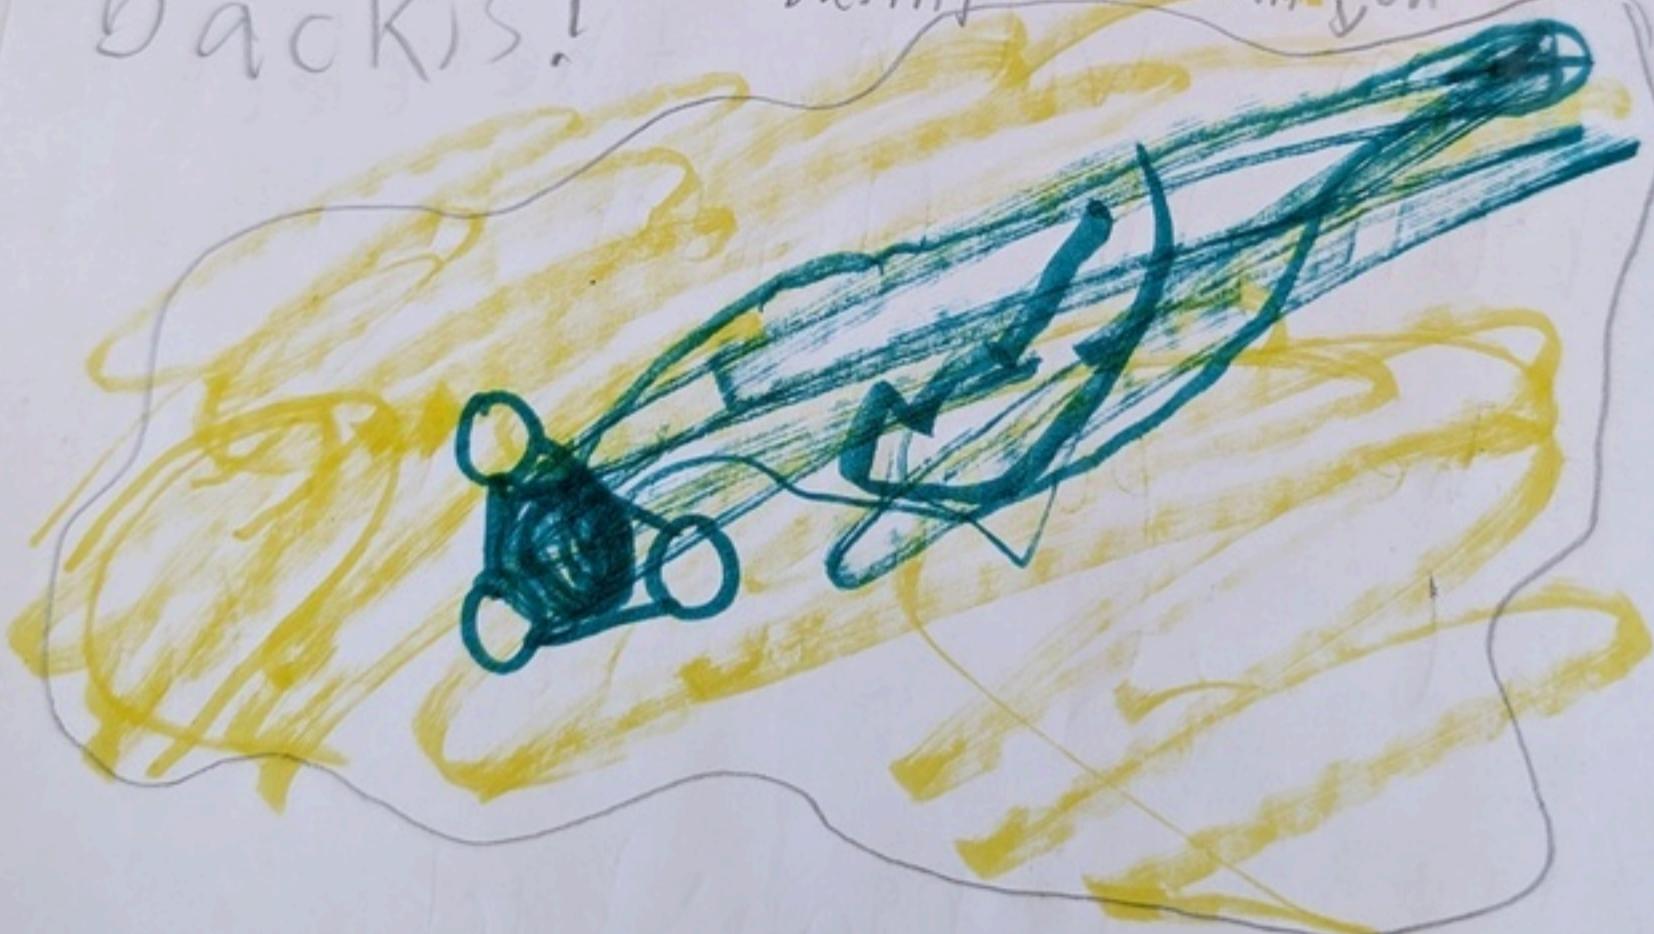

a giant bird haged
but bush back is
Disided not to ^{eat} ~~eat~~
in it because she
Did not want Sarai
killed first she fixed

then she found a way
to undo the effects
of the gas that
was simply kill the
person that open the
gas; she decided to
do this because they
would not die
anybody who was even spray
but lose the extraordinary
~~power~~ power and become
good

so she entered the
war. this made
Sarohi's back
on her it makes
Sarohi a stone back is
until someone somans
Him with the electric
fune, the thunder fune, and
the power fune.
but it also stuff
the person\back is
like this

Down to the un som un
world waiting to be
sumonied so ~~the~~ but
he came only use
it once so he
used it on bash
backis! turing collum on bush backis

good

but then while he
celebrated the lava
and fire back is
melted Him and
the water back is

cooled Him into

a stone mountain
mount malouma

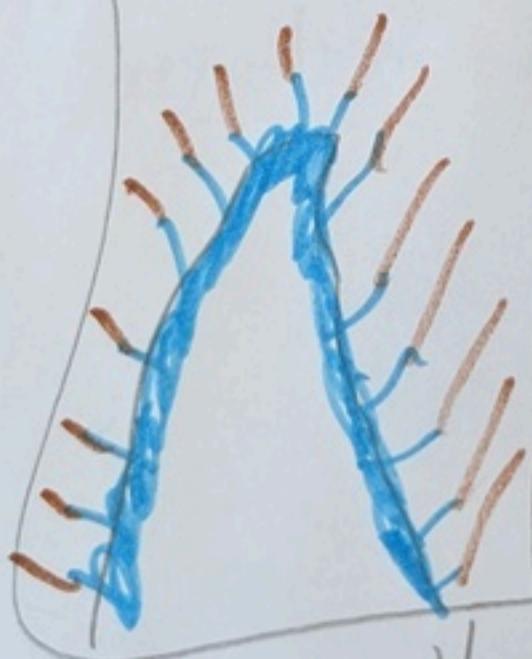

D.

celebrating

melting

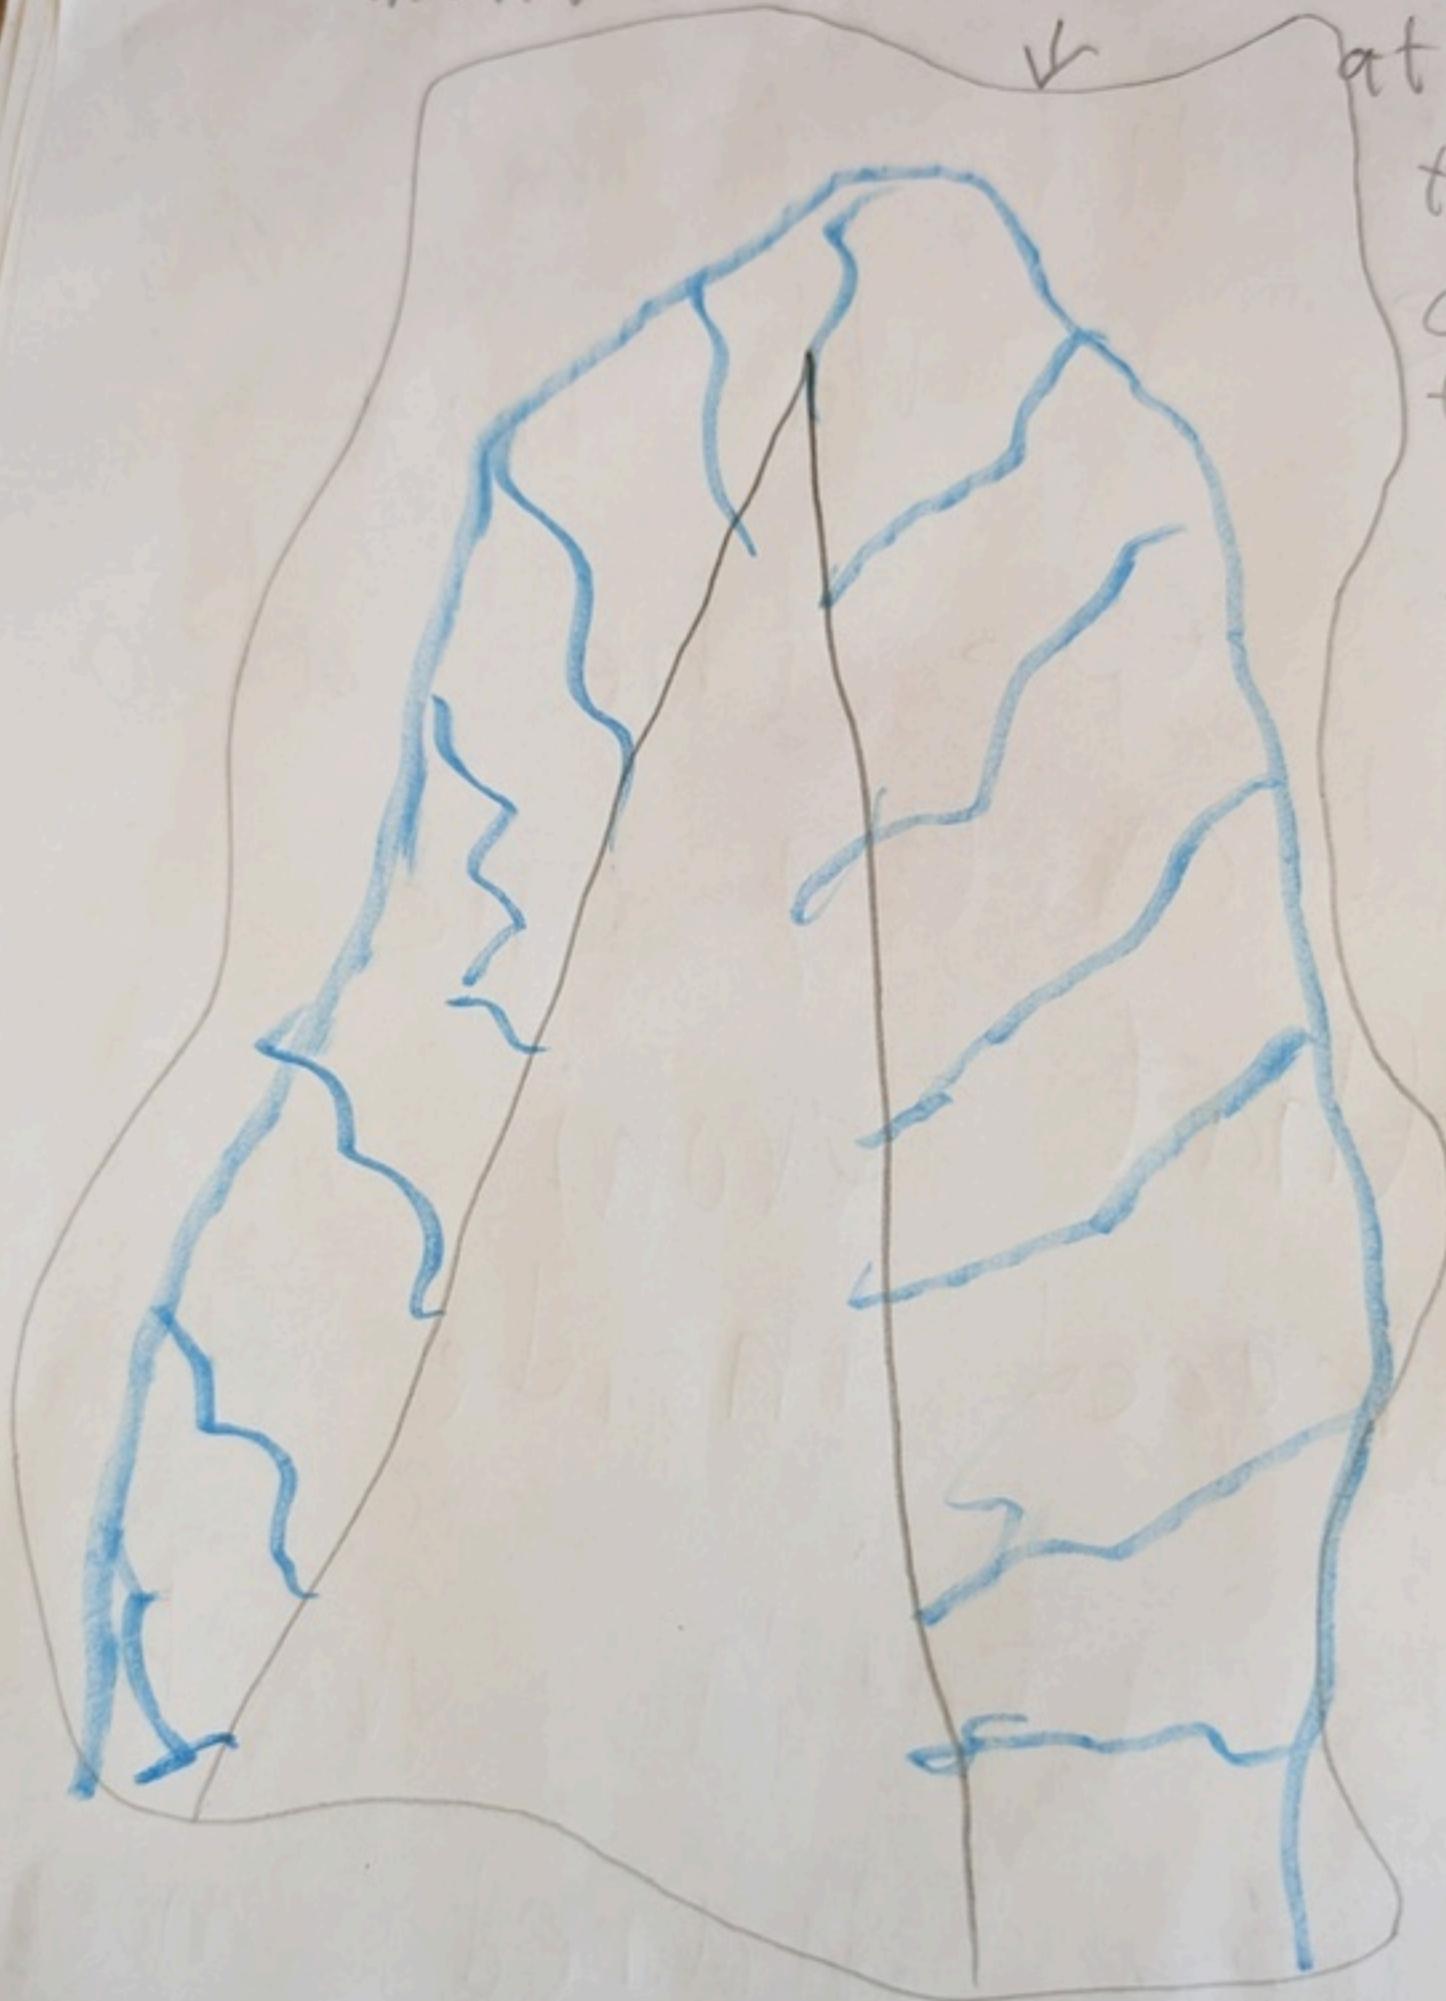

yay!

accolking mount-fair

they put a forcefield
around Him so
He could not
escape, they also
told everyone
that Sargon was
trapped inside the
mountain which
they named Mount
Mallona.

Down to the
mont malona pic tacks

at
time
of
the
swinging
stone

the goo backis
were very trust-
worthy so they
were given all
the rakes to
Somm Saroni ^{and} they
protected them

for 30,000 years
but no more (see for more
attack of the goo backis info)
crystallis

Don't
miss

backis
